

# COMPANY INFORMATION

Ericsson Nikola Tesla is a leading regional provider of communications products and services in the operator's segment and a provider of innovative ICT solutions related to health care, transport, state administration, municipal services and multimedia. Owing to the activities of its Research and Development Center and expert centers for service delivery, Ericsson Nikola Tesla is also the Croatian leading knowledge exporter. Being a member of the Ericsson Group, the Company operates within the Region Western and Central Europe (RWCE). The Company is a socially responsible entrepreneur, building its strong reputation on reliability and good relations with all stakeholders: employees, customers, partners, suppliers, shareholders and the wider community. Ericsson Nikola Tesla promotes sustainable development by balancing long-term growth and competitiveness in changeable external conditions with positive economic, social and environmental impacts.

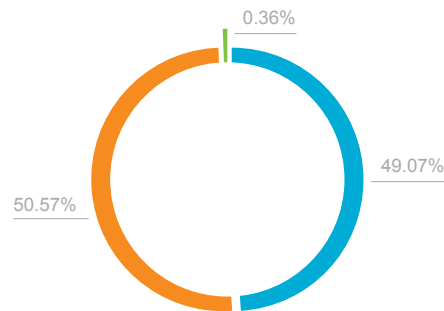

*The Company's successful performance over years is a result of joint work, commitment, knowledge, expertise and experience of all current and former employees.*

Gordana Kovačević,  
President of Ericsson Nikola Tesla d.d.
