

60 YEARS OF ERICSSON NIKOLA TESLA

On 31st October 2009 the joint stock company Ericsson Nikola Tesla will mark its 60th anniversary. Back in 1949 the telephone equipment factory Nikola Tesla was founded by the Finance Ministry of the Federal People's Republic of Yugoslavia. The Company started with 113 employees in a building in Palmotić Street in Zagreb.

Ericsson Nikola Tesla has had a distinctive history marked by diversity and breakthroughs and always stable operations.

Important years in the Company's history:

- 1949 ▷ Factory Nikola Tesla founded in Zagreb
- 1953 ▷ The first licensing contract with Ericsson signed
- 1958 ▷ The first export contract signed
- 1977 ▷ The licensing contract with Ericsson signed for the manufacture of digital AXE exchanges
- 1990 ▷ The first commercial (mobile) voice call in Croatia made over NMT network
- 1995 ▷ The joint stock company Ericsson Nikola Tesla founded in Zagreb
- 1998 ▷ The first GSM contract signed
- 2001 ▷ The first UMTS voice call in Croatia placed
- 2003 ▷ An international UMTS voice call placed in Zagreb over Ericsson equipment
- 2005 ▷ The first commercial, Ericsson solution-based 3G service, provided in Croatia
- 2008 ▷ Ericsson Nikola Tesla is a provider of information and communications products, solutions, software and services.

Good performance over the years is derived from team work, commitment, expertise and experience of all former and current employees.
